

Mulabari Todke Kacheri Saunethum Padmarg Nirman (White Wall)

Shitaganga Municipality
Arghakhanchi

Background

The project aims to develop and promote tourism in Supa Deurali, situated 47 kilometers away from Gorusinghe on the border of Shitaganga Municipality and Sandhikharka municipality, leveraging the natural, cultural, and religious significance of Supa Deurali Temple to attract both national and international tourists and devotees. Located at the foothills of Mahabharata range, the temple area offers a panoramic view. Through infrastructure development, promotion, and community engagement, the project seeks to unlock the area's tourism potential of the region.
